## March 2020 Issue: Adapting to Change

Digital marketing is a fast- and ever-changing field. Adapting to change is a vital part of any role within the marketing industry. Sometimes that means changing the way you think about and structure your marketing. Sometimes it means a makeover.

Our [redesigned website is live](#), and I'm so excited to share it with you all. It's sleek, it's beautiful, and it gets right to the point.

In addition, Chrome has started its plan to rollback support of third-party cookies. This move foreshadows the challenges facing us in the future of digital marketing. For now, we have the details you need below.
